- 2 Notify the college of changes of address and contact information while enrolled at the college

## REFUND POLICY

### Deposit

A deposit is required on enrolment this will confirm a position in the course. The deposit is part of the total course fee. The deposit is refundable up until 28 days prior to the course start date, after which it is not refundable. In the event of a deposit refund, an administration fee of \$250.00 will be deducted from the deposit amount. Written notification is required in the event of requesting a deposit refund.

For international students' refunds will be provided in accordance with Australian government regulations and the college refund policy as set out in our 'information for international students'.

### Visa Refusal

If the student is refused a Student Visa by the issuing authority and provides written proof of this before commencement of a course, a full refund of fees will be paid.

### Withdrawal of Visa Application

Withdrawal of an application for a visa is not considered to be a refusal. If a student withdraws a visa application, an administration fee of \$250.00 will be deducted from the deposit.

### Upfront Payment

Refunds for students who have paid their fees in advance and wish to leave the course before conclusion of the course will have their fees calculated on the basis of paying each term (as shown in Termly Option). Refunds will be based on this calculation. There is no payment or refund for 3rd or 4th Term.

Once a term has been commenced, fees are payable for that entire term. If a student wishes to leave the course the student must notify the principal in writing of their intention to leave and the written notification must be received two weeks before the first day of the next term is due to commence, otherwise fees are due and payable for that term. If students paying monthly or by term are dismissed or leave through the term, then they must pay the amount equivalent to the full-term fees for the term they have commenced. Refunds incur an admin fee of \$250.00.

### Non-Delivery of a course

In the event of a course not being delivered the student will be notified as soon as a decision on delivery has been made. The student is entitled to a full refund of fees paid. In a circumstance where the student has been enrolled through an education agent any refund to the student will be discounted by the amount of commission paid to the agent.

### Student Default and Withdrawal from Course

Students are required to provide written notification of withdrawal from any course or course component, prior to the commencement of the enrolled course. If a student withdraws from the course prior to the course start date but after the three-week deposit deadline the deposit is non-refundable, however any further prepaid course fee and incidental expenses will be refunded, less a \$100 admin fee. The student may defer their course to another intake date within a 24-month period from the initial course start date. If a student withdraws from the course after commencement of the course, then the student is required to pay any fees owing for the weeks completed in the program. In that case, fees may be refunded on a pro-rata basis, for example if 50% of the course program has been delivered then 50% of the fee paid minus the original deposit. All refunds claims will be paid to the student within four weeks from the date of receiving the notification of withdrawal. Refunds incur an admin fee of \$250.00.

### Deferment of Enrolment

Students are required to provide written notification of deferring from any enrolled course or course component. An enrolment can be held no longer than 24 months from the original start date.

The Makeup Technicians reserves the right to defer or temporarily suspend the enrolment of the student on the grounds of misbehaviour (breach of Media Makeup Policies & Procedures) by the student. In this situation, The Makeup Technicians will inform the student in writing of the intention to suspend or cancel the student's enrolment and that the student has 20 working days in which to access the complaints and appeals processes. If the complaints & appeals processes are accessed by the student then the deferment will not take place until the internal process is completed.

Misbehaviour (breach of The Makeup Technicians Policies & Procedures) of students can also be grounds for cancellation of the course program and in this situation the student will be informed of this prior to enrolment. There is no monetary action on deferments, however, please note that courses may be subject to change and you are required to check with Student Administration, at the beginning of the year in which you intend to re-enrol, to ensure that re-enrolment is possible.

### Refunds

Any refunds will be made to the person or organisation that enters into the contract within four weeks of receipt of a written application, unless the person gives a written direction to pay someone else. Refunds will be paid in the same currency in which the fees were collected.

If a student commences study and defers / transfers to another class for any reason, they are not eligible for a refund as your course fees are allocated to your original class of enrolment.

## USEFUL INFORMATION

UNIQUE STUDENT IDENTIFIER (USI #):

If you're studying nationally recognised training in Australia from 1 January 2015, you will be required to have a unique Student identifier (usi).

Your USI links to an online account that contains all your training records and results (transcript) that you have completed from 1 January 2015 onwards. Your results from 2015 will be available in your USI account in 2016.

When applying for a job or enrolling in further study, you will often need to provide your training records and results (transcript). One of the main benefits of the USI is the ability to provide students with easy access to their training records and results (transcript) throughout their life.
